1

CONSULTATION

Tell us exactly what you are hoping to achieve with the video. We will advise you on the best way to make your vision the best and most effective product.

2

FILMING

Based on the information you provide, we will conduct interviews and collect video using our professional video and audio equipment.

3

EDITING

Our editing time depends on the video's intricacies. Allow 2-3 weeks for post-production. UpRooted will send frequent updates during the editing phase.
